

# ABODERIN MICHEAL

FRONT END ENGINEER

Lagos, Nigeria | (+234) 70-4213-7545 | [abodmicheal@gmail.com](mailto:abodmicheal@gmail.com) | [Personal Website](#) | [Linkedin](#) | [Github](#)

## Profile

Front End Engineer, React Redux and Javascript Developer with over 6 years of front end experience and a passion for responsive website design as well as building reusable component libraries for other developers and industries.

To deal with my insomnia, I began coding and ethical hacking at a young age. This gave me a lot of working hours and experience creating scalable projects, adding SEO features to React, working with lifecycles, and deploying numerous websites that received a lot of traffic and possitive feedback.

## Skills

HTML, CSS, Material UI, JavaScript, React, Redux, Laravel, Git, Responsive Design, BEM, CMS, SEO, OOP, Technical Skills, Project Management Skills, Problem Solving Skills, Time Management Skills, Critical Thinking Skills, Decision Making Skills, Excellent Communication Skills, Organization Skills.
